

ORDER FORM: 'PRINTMAKING WITH PHOTOPOLYMER PLATES' by DIANNE LONGLEY

This book has been designed to help novices as well as more experienced printmakers to produce successful prints in the photopolymer medium. The methods described in this book are a safe and easy way for artists to produce intaglio and relief prints. All that is needed to make the plates is UV light and water.

\$45.00 AUD per copy including postage, handling & taxes. Allow 21 days for delivery. Purchases in Australia can be made by cheque in Australian dollars, and electronic funds transfer (see details below). Overseas purchases can be made using the PayPal 'Buy it Now' button at www.diannelongley.com.au/photopolymer.html on Dianne Longley's website. A receipt will be posted with book.

Cheques in Australian Dollars only
